School District #10 Arrow Lakes "World Class Learning in a Rural Environment"

June 15, 2017

## The Raven News

Hello Edgewood,

I can't believe how quickly this spring has flown by! As usual, it has been busy here at EES with all kinds of events happening.

The district track meet held in Nakusp was a great success for all and our team performed well and had a great time. These events are a real opportunity for our students to make friendships which will help them as they transition to Secondary school after their time at EES.

Christine Meyer and Ganishka Silverfox joined the intermediate class to make Dreamcatchers this week, which was a great experience for all. The students made some great pieces!

We had our Volunteer Appreciation brunch this Thursday. Thanks to Joanne Alaric for organizing this event! Our school is much the richer for all the help from the Edgewood Community and I would like to thank all those who contributed their time and energy into making our school a better place.

We have two very busy weeks ahead of us before summer break!

On Monday June 19<sup>th</sup>, we have bug guy (Entomologist) Ward Strong visiting us to do a bug talk and outdoor activity. Look for details below.

On Tuesday June 20<sup>th</sup>, we are travelling to Nakusp to celebrate National Aboriginal day. Students will participate in a variety of activities and view some great performances.

On Wednesday June 21<sup>st</sup> we will be heading up to Whatshan Lake for the PAC barbeque and fun day. The EES ukulele band will be performing to a sold out audience at this venue as well.

The following Wednesday June 28<sup>th</sup> is the day of the Intermediate field trip and Thursday June 29<sup>th</sup> the Primary class will have their field day. More details on both these trips will be coming out early next week.

The last day of school is Thursday June 29<sup>th</sup>. We will be having a short assembly at 2:50 to say our farewells. Report Cards will also be handed out on the 29<sup>th</sup>.

It has been great to get to know this school and community this year! I look forward to next year and continuing to work with you to build a strong positive place for our students to learn and grow.

Hope you enjoy a great Father's Day weekend!

Best Regards,

### Important Dates

- Sun June 18 Father's Day
- Mon, Jun 19, Entomologist visit
- June 20, Aboriginal Celebrations @ NES for all students
- Wednesday, June 21 PAC BBQ @ Whatshan Lake
- Wed, June 28 Intermediate trip to Vernon
- June 29 Report Cards Issued
- June 29, last day of school
- Sep 5, 2017 first day back to school

# Thanks PAC

Thanks Tawny and Candace for all the hot  
Lunches this spring

Monday, June 19th

**Entomologist, Ward Strong will be visiting EES.**

After a talk about what an insect is, Ward will be taking us outside, providing nets and magnifying glasses and taking us on a bug walk. Students should be prepared to be outside from 10:30 to 2:00. Students will need the following:

Bag lunch

Water bottle

Dress for the weather

Proper shoes

This is a free program made possible by Science Worlds Scientists in Schools program and the volunteer time of generous scientists like Ward Strong
