School District #10 Arrow Lakes "World Class Learning in a Rural Environment"

May 4, 2017

The Raven News

Hello Edgewood,

Thank goodness the sun is shining today and things finally seem to be warming up! This late spring has been a busy one at EES. The Heritage Tea was a great success! Attendees were treated to some great entertainment from the Fauq Singers and our Intermediate class supported by Trustee Quinn DeCourcy. It was a great display of community togetherness I was really happy to be a part of.

Last week our Robotics team led by Mr. Myhal attended the RoboGames competition in Castlegar. I would like to thank all the parents who drove out the night before to support our students in taking part. A big thank you to Mr. Myhal as well for donating his time to help our students prepare after school on Thursdays!

We have been having lots of fun on Tuesdays after school for the last couple months. Unfortunately, I will not be available for the next 3 Tuesdays (May 9th, 16th, and 23rd) due to other responsibilities in the district. As I transition to my new role my schedule has changed a bit. I will be present at EES on most Monday, Tuesday and Wednesdays but will be working at NES on Thursdays and Fridays. Thank you for your patience with this transition.

We have hired a new EES Vice Principal for the 2017-2018 school year. Brent Cook has been living in Dease Lake for the last 6 years as a teacher and was Acting Principal for 3 months. I think he is a great fit for our school and I know he is really excited to be joining our team.

As always, if you have concerns or comments please stop by the school or contact me by phone or email.

Best wishes,

Michael Hibberson
