The Raven News

Greetings Edgewood,

I hope everyone had a great Spring Break! We are back in the swing of things here at EES with lots of new activities starting up.

- Mr. Myhal will be starting his robotics club up this Thursday March 30th at the school from 3:15-4:30. Please arrange for pick-up if your child is participating. This will follow our Book Day activities and School Assembly held at 2:45.
- Monday April 3rd we will be visited by the Burton Academy's Outdoor Recreation class. They will be helping our students in archery and have lent us their supply of compound bows and targets.
- Next Tuesday April 4th we will start our after school games club. This club will meet from 3:15- 4:30 so please arrange pick-up for your child if they wish to participate.
- We will also be starting a music program with the help of SD10 trustee Quinn De Courcy. Mr. De Courcy will be working with both Primary and Intermediate classes over the next few months teaching them Ukulele and singing. Sheila McGinnis has also been working with our Primary class in preparation for a performance along with the Fauq Singers at the Heritage Tea.
- The Heritage Tea will be held on April 26th this year and more information about this celebration will be forthcoming.

I look forward to the next few months as we try and offer our students as many diverse learning opportunities as possible. As noted in the letter from the Superintendent of Schools, I have been transferred into the position of Principal of NES and EES effective August 1st, 2017. While this was not the original plan we had for the upcoming school year, I am certain that the staffing changes will be positive for our students at EES. I look forward to working with you and our students in my new position, and am excited about remaining a core part of EES school culture and learning. I will still be in the classroom with your children every two weeks, and will continue my involvement with the students in extra-curricular sports, and mentor our new Vice-Principal and .75 intermediate teacher. I would like to thank everyone involved with our school for being so welcoming to me this year, a courtesy I will not forget. I have really enjoyed my time at EES, and look forward to a continued and long-lasting relationship with Edgewood School, the PAC and all our parents, our amazing students, and the community, in my new role as your Principal. I care deeply about our students and will ensure that their needs are fully accounted for in my new role. Please feel free to contact me if you have concerns or questions.
