School District #10 Arrow Lakes "World Class Learning in a Rural Environment"

October 18, 2017

Happy Fall Edgewood,

The colours are changing and the community looks beautiful. Our school is a happening busy place full of excitement and learning. Key highlights of the past month include a visit by *Run Loops* -The Human Radio as well as our annual Terry Fox run in support of cancer research and honouring the courage of Terry. We also participated in Orange Shirt Day, honouring the First Nations communities, families and lives affected by Residential Schools in Canada which reminds us that Every Child Matters.

Our school continues to be a shining light with experiential learning. Our students are blessed to use this beautiful community as a place and space to facilitate exploration and learning. Our staff is amazing and the care they give our students and how dedicated they are to them is to be commended. Our students are receiving a world class education in this small community.

Looking ahead, we have FSA's going on with our grade seven students until the end of the month. We will be having an assembly on Halloween at 2:45 with a parade of costumes. Our school will also be starting the "REP" (Respect, Excellence and Pride) initiative. Students will be rewarded with a ticket when they show: **Respect** to themselves, others and learning; **Excellence** with their work and effort and **Pride** in their learning, school and community. Each month a student will be honoured as a REP leader for our school. As well we will be drawing a name at our assembly for a random prize. This will help strengthen our school culture with the students at the centre and sense of belonging at EES.

With the change of season comes varying weather. Please make sure students dress appropriately for the changing season. It can get cold in a hurry. We also want to remind parents that with the season change comes the risk of lice. Please remind your children to refrain from sharing hats and helmets. Let's try to keep those little critters out of our school.

On Wednesday October 25<sup>th</sup> come and meet Team Cook. My family will be coming down for a meet and greet brunch before recess (10:15). Food will be provided for and prepared by the EES Leadership group. Drop by and say hello.

We invite you to visit and like our Facebook page. Check it out for up to date information on upcoming events. Feel free to contact me at the school over any concerns or to just say hi.

Until next time Edgewood!

Brent Cook VP
