School District #10 Arrow Lakes "World Class Learning in a Rural Environment"

Feb 6, 2018

A Fantastic February to you Edgewood.

What a great start to 2018. First, I would like to introduce to you that our school teams are now the Edgewood Elementary Eagles! I would like to say thank you to all the students who worked so hard and put themselves on the line to show their pride in our school. It was a close vote, but in the end the Eagles prevailed. The next task on hand for the students is to create and name our school mascot. I look forward to seeing what the students come up with. Way to go Eagles!

We have a few field trips this month. Tuesday, our kids will head to NSS for a special presentation by Arctic explorer, John Dunn. We will be attending his presentation at 10:20 and it looks to be a thought-provoking presentation with stunning photos from his journeys. As well we will play basketball at NES at noon.

Our ski days at Summit Lake Ski Area begin on Thursday, February 8th and continue on the 15th and 22nd. Parents you are encouraged and welcome to join us on the hill to help make this as successful as possible. It's such an amazing opportunity for our students and I look forward to our time on the slopes.

Our bus schedules may change for those days so please stay tuned for up to date information.

Last but not least, the 2018-19 budget consultation will take place here at EES on Tuesday February 20th from 1pm until 2pm. We invite all parents to join us and participate in the process.

Have a great month!
