School District #10 Arrow Lakes "World Class Learning in a Rural Environment"

June 4, 2018

The Eagles Nest News

Hello Edgewood.

It is hard to believe that summer is upon us EES families. The end of the year is just around the corner and this is our last monthly newsletter. One more Eagle's Nest News to come. Most importantly... Happy Father's Day to our EES Fathers. We love and appreciate what you do to make us the best people we can be. It is going to be a busy month! Let's finish the year strong and in a high note.

I have a few exciting announcements:

For those of you that don't know, Ms. Wallis is moving on to teach at Burton Elementary School. I would like to thank Ms. Wallis for her creative and innovative teaching this year.

As well, I am excited to announce that Mr. Sean Johnston will be part of our team next year. He will be filling the role of intermediate teacher. I look forward to working with Mr. Johnston at Edgewood Elementary. Welcome Mr. Johnston

We have many great events coming up this month.

On Tuesday **June 5**, we have our Student Led Conferences between 2-4:30pm. Please stop in and check out the learning

On Wednesday June 6, we have a PAC Meeting at 2pm (please be in attendance if you are available).

On Thursday **June 14**, our Intermediates will be participating at the Nakusp Elementary Intermediate Track Invitational in Nakusp. Come and support if you are there. GO EAGLES!

On Monday **June 18**, Our Intermediates will be joining Mr. Johnston's grade 6 class at the Atlantis Waterslides in Vernon. Please bring sunscreen.

On Tuesday **June 20**, we are travelling to New Denver to celebrate National Indigenous day. Students will participate in a variety of activities and view some great performances.

On Wednesday **June 27** we will be heading up to Whatshan Lake for the PAC barbeque, swimming and fun

The last day of school is Thursday **June 28**. We will be having a short assembly at 2:50 to say our farewells. Report Cards will also be handed out on the 28th. More details on both these trips will be coming out early next week.

It has been great to get to know this school and community this year! I look forward to next year and continuing to work with you to build a strong positive place for our students to learn and grow.

It is going to be a busy month! Let's finish the year strong and in a high note. Feel free to contact me if you have any concerns.

Until next time Edgewood...
